**WELCOME  
TO THE  
CLARION COUNTY PARK**

We are pleased to offer you a facility that has something for everyone!

Whether you are sports oriented, the County Park offers 3 ballfields that are for baseball and softball use, 2 soccer fields, a tennis court, a volleyball court, a basketball court, horseshoe pits, walking trail, and a archery range.

For those who enjoy the picnic atmosphere, the County Park offers 8 smaller pavilions, 1 large pavilion and a community center, which includes picnic tables and charcoal grills. Some of the pavilions are handicapped accessible.

For the children, a playground and the children's garden offers them their own type of activities.

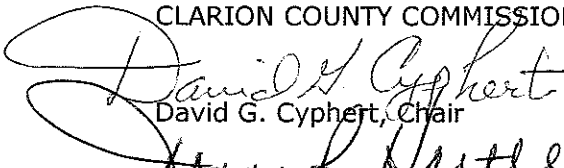

And, for those that are interested in providing activities for animals and livestock, an arena and a barn are available.

When the summer days have drawn to an end, the County Park provides uses for an area dedicated to composting.

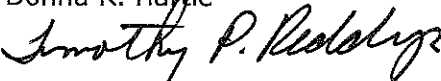

Whatever your needs are, we are happy to be able to provide the use of this County Park to you and your family.

ENJOY THE CLARION COUNTY PARK!!
